

Ref.094111 GOLDEN TOP PLUS ALU

ROPE ACCESS

TOWERS/INDUSTRY

A versatile and lightweight full body harness designed for professionals who require great freedom of movement during ground operations without losing comfort during suspension. Patented ventral attachment features two loops: the upper loop is for attaching a chest harness and chest ascender and the lower loop holds the ventral D-ring for attaching lanyards and rope tools.

Supplied with the patented HMS Belay Lock connector that features an anti-rotation system. Equipped with a keeper strap for securing a chest ascender in a streamlined way.

Patented STS automatic buckles on the leg loops.

5 aluminum alloy attachment points: 1 sternal and 1 dorsal for fall arrest, 1 ventral for suspension and 2 side for positioning and restraint.

2 sizes.
