

78 PACK™

NEW!

Founded in 1978 as an American-made manufacturer and supplier of rescue equipment, California Mountain Company set out to provide the highest quality products to our customers. We've come a long way since then, but we've never strayed from our mission. The limited edition 78 Pack™ commemorates our history and heritage, as well as our continued dedication to serving the search and rescue community. With its roll-top design, roomy interior and heavy duty nylon construction, this throw back to the scouting packs of yesteryear makes the 78 Pack the perfect bag for your everyday adventures.

FEATURES:

- Roll-top design for quick and easy main compartment access
- Angled front zippered pocket for stowing smaller items
- Four external compression straps are perfect for carrying trekking poles, yoga mat, small tripod, fly rod, etc...
- Two lash tabs on bottom panel for securing extra gear
- Multi-loop attachment on front panel for hitching items or attaching carabiners
- Internal padded laptop sleeve: 10" W x 18" H
- Shoulder straps offer padded comfort and feature integrated carry handle
- Constructed from durable 1,000-denier Cordura® nylon pack cloth
