

ESCAPE BELTS

A multipurpose belt for carrying tools that doubles as an NFPA escape belt, our Fire Escape Belt is manufactured of fire-resistant, two-inch Kevlar® brand fiber web. The Escape model is constructed of the same mil-spec nylon web used in our harnesses. The snap and V-ring closure is easy to use even with gloved hands. Use the easy-to-find D-ring attachment point for clipping in your descender.

Option	RESCUE ESCAPE BELT SMALL / MEDIUM
Item	203202
