

HEAVY RESCUE ORGANIZER™

Our Heavy Rescue Organizer (HRO) is one-half of a two-part system designed to efficiently organize rope rescue equipment. Hardware is stored in the three large compartments of this zipper-pocketed saddle, which when strapped to a rope bag can be quickly removed when it's time to deploy the rope. The clear rope log pocket on the top of the organizer can also be used to store small items. Two webbing loops are provided to hold a large supply of carabiners. Constructed of waterproof, heavy-duty CORDURA® nylon, the organizer can be used with our #2 or #3 Rope Bag. Pocket sizes: 19 x 5 x 4 in, 12 x 5 x 4 in, 5 x 5 x 4 in (48 x 13 x 10 cm, 30 x 13 x 10 cm, 13 x 13 x 10 cm). Price includes organizer only; rope bags are sold separately.
