

## PROSERIES® RADIO HARNESS

Made of 1,000-denier Cordura® nylon for long wear under rugged conditions, our ProSeries Radio Harness features stabilizing back straps that also offer great comfort. The radio pocket is easy to adjust to a wide range of radios, and the spare battery pocket has a hook-and-loop “loop” on the bottom, so items with a “hook”, such as whistles, can be kept out of the way. The outside pocket holds a pen on one side and a folding knife or multi-tool on the other. The front of the pocket has a strap for taping on a smoke can. The pocket flap has a place to clip a speaker mic. A large panel pocket closes with a zipper and can be used for note pads, folded maps, or an extension antenna. The shoulder straps have elastic loops to keep track of the ends, and the loop on the left shoulder can also be used to secure the end of your antenna. Color: Black.
