

## RANGER CHEST HARNESS<sup>TM</sup>

The Ranger Chest Harness<sup>TM</sup> can be worn comfortably all day and is ideal for back country operations. Featuring padded shoulder straps with breathable D3 cloth and shoulder stays to make donning a breeze, the Ranger Chest Harness easily connects to a sit harness with its aluminum Delta Quick Link. Made from 1-inch web and Cordura® nylon, this is designed to combine with our Ranger Harness<sup>TM</sup> when a full-body harness is needed. Includes aluminum Delta Quick Link and connector strap. Available in black only.
