

TACTICAL RAPPEL HARNESS[™]

Our Tactical Rappel Harness[™] is a simple one-size-fits-most harness that features all-black web and buckles. The low-profile design provides a snug, secure fit that can be worn all the time or donned quickly when needed.

- Web attachment point at front waist for silent connections
- Padded leg loops feature breathable D3 fabric to provide comfort
- Waist and leg loops constructed of 1-3/4-inch mil-spec web
- Tactical Harness Pouch (4.75" W x 5" H x 2.5" D) is removable and holds Prusiks, Purcells and accessories, or up to 6.5 M of cord
- Gray contrasting stitching aids in inspection
- Left side gear loop offers easy access
- Corrosion-resistant coated hardware
- Color: Black
- Made in USA

The Tactical Harness Pouch, also sold separately, is removable and can hold Prusiks, Purcells and accessories, or up to 6.5 M of cord.

- Features Velcro top flap and attachment tunnel for harness connection
- Attaches easily to harness or most belts up to 2" wide
- Dimensions: 4.75" W x 5" H x 2.5" D
