

TACTICAL TETHER

Designed for special ops personnel, this tactical tether connects the wearer to an anchor point in an aircraft or an edge. Made from 1-in tubular web with a built-in bungee, the Tactical Tether retreats as needed to stay out of the way. Girth hitch to attach the loop end to your harness and connect the other end to the anchor of your choice. Sewn to a black double-locking connector. Rated strength: 11 kN (2,473 lbf)
