## Data Sheet

### Colour Options

- Red            RP280A1 + RT270B1
- Black        RP280B1 + RT270B1
- Purple       RP280C1 + RT270B1
- Orange      RP280D1 + RT270B1
- Grey         RP280E1 + RT270B1
- Gold         RP280F1 + RT270B1

**RP281** Parallel Rope Wrench Pulley, also available

Following the well-publicised intervention by the Germans Trading Standards Authorities, we were asked to address the issue of the Rope Wrench not being CE Marked.

Following liaison with the German Authorities and the UK Notified Body for CE Testing, we now can now supply Rope Wrenches which carry the CE Mark.

### PLEASE NOTE:

This marking is done under the PPE Directive 89/686/EEC and EN12278 Pulley Standard and, for unavoidable reasons of test methodology, it applies ONLY to Rope Wrench Kits (Rope Wrench supplied FACTORY FITTED with our approved Single or Twin Leg Tethers).

You will still be able to purchase a Rope Wrench without a Tether (part code RP280), but it should be noted that units supplied without tethers cannot and will not be CE marked/approved.

<b>Kit Contents</b>	Rope Wrench, fitted with Single Leg Tether
<b>Optional Extras</b>	RP281 Rope Wrench Pulley
<b>MBS</b>	24kN (5395lbf) Wrench + Tether
<b>Kit Weight</b>	204g (7.2oz)
