

HANO74A1 Handle Bar (for Zippey)

Data Sheet

climb. work. rescue.

ISC
SOLUTIONS IN METAL

Our new Zippey handle bar can be easily retro-fitted on site, using standard tools. The handle is designed to increase user engagement and allows users to maintain a forward facing position, during their ride— and most importantly, when they 'land' at a transfer station.

HANO74A1, features a central bollard, which accepts 25mm (1") webbing/rope lanyard, or a karabiner connection.

Compatible with RP074 Zippey Clip'n'Zip Trolley
