

PMI® is proud to offer the latest innovation in accessory cords. Precision sewn loops form a sleek, low profile connection that is stronger than a knot. Clear tubing protects the stitches yet allows for easy inspection.

Key Features:

Available in 6 mm, 7 mm, and 8 mm • 5'8" length perfect for creating purcell prusiks • Used in the PMI® Tandem Prusik Kit • Cord also slides under the clear tubing to allow length adjustment

6 mm (15/64")

MBS: 11 kN (2473 lbf)
