

### FP49 - Helmet Lanyard

**Collection:** Tool Lanyards

**Range:** Fall Protection

**Materials:** Polyester Webbing, Plastic

**Inner Pack:** 24

**Outer Carton:** 24

#### Product information

Introducing the ultimate in helmet safety, the helmet lanyard is essential when working at height. One end of the lanyard attaches to the helmet and the other end attaches to the users harness, preventing the helmet from falling and causing injury.

#### Tool Lanyards

The Portwest collection of Tool lanyards are an essential form of fall protection for anyone working at height. These items prevent tools from becoming dangerous falling objects and a safety hazard when working at height.

#### Fall Protection

Fall Protection is put in place to prevent the risks associated with falling from heights, reducing impact force, restricting obstacle/ground collision and restricting users from fall hazard areas. Portwest offer a full range of fall protection products for working at height.
