

PRODUCT SPECIFICATION & TECHNICAL DATA

PB55 - Endurance Badge Holder Helmet

Collection: Head Protection Range: PPE Materials: ABS, Polycarbonate

Product information

The Endurance Badge Holder Helmet is modelled on our best-selling PS55 Endurance Helmet. Innovative additional features include a badge holder which is ultra-sound welded onto the ABS helmet shell. Made from flame resistant polycarbonate, the badge holder has a slide opening for easy and secure storage of badges. Ideal for identification, wearer information and site access by an electronic badge. 4 points chin strap included and vented for extra air-flow.

Standards EN 397 NONE (-30°C/+50°C, LD)

Head Protection

PW rapidly expanding head protection product range aims to benefit our customers by combining the most updated styles and standards in head protection, irrespective of job or location. A wide selection of compatible accessories is also available. A full explanation of features and performances are given in order to help you make a more informed choice.

PPE

Portwest Head PPE range applies the latest standards to deliver the highest level of protection. Comfortable and lightweight, the PPE range will ensure a pleasant wear, even for long periods of use. Your safety is our mission.
