Product information

The Polar Star is a modern sport look spectacle, with wraparound dual lens. Its polarized lenses help stop any glare effect, reduce eye fatigue and improve the contrast level and colour visibility. This high performance style reduces the harmful effect of UV rays and is ideal for people working around water surfaces. Contrast color tips and nose bridge for superior comfort and anti-slip performance.

Eye Protection

PORTWEST® eye protection range includes spectacles, safety goggles and visors, designed to protect the eyes and face of the workers from injuries which may occur during working activities. TECHNICAL SPECTACLES: high performance and cutting edge styles. SPORT SPECTACLES: light weight and modern design. CLASSIC SPECTACLES: essential PPE safety eyewear styles.
