## IGNITE ION

### GENERAL

Art. no.: G-1130-XXL/5XL

EAN: 4030281222262

Standard: EN 361:2002

E-class number: 40-02-01-02

Customs no.: 63079098

## Data sheet

### IGNITE ION

Our new all-round safety harness for all classical applications in construction and maintenance has above all one major feature due to simplified adjustment options in the chest and leg area as well as three different sizes: exceptional fit!

Even for users who rarely wear personal protective equipment against falls from height, the IGNITE ION is extremely easy to use and self-explanatory. The buckle by Fidlock in the chest area snaps magnetically and closes almost automatically. The two orange roping-up loops made of fabric are approved for joint use and equipped with abrasion indicator for maximum safety.

User-friendly, self-explanatory, safe:

- easy to put on and adjust
- very good fit
- large roping-up loops (chest) with wear indicator

### FEATURES

Fall indicator

---

Shoulder or leg padding: yes

---

Belt strap coiler: yes

---

Hand-washing: 40 °C

---

Click buckles: yes

---

Max. service life: 10 Years

---

Max. number of persons: 1

---

Rated load: 140 KG

---

Attachment Points:

dorsal attachment point, sternal attachment point

---

Patent

---

Temperature: from 45 °C to -35 °C

---

Area of application:

Construction / Roofer / Carpenter, Facade / Window Cleaning, High Rack, Lift Construction, Metal Construction, Power Supplies / - Transmission / Telecommunications, Scaffolding

---

## DIMENSIONS

Size:	XXL/5XL
Waist size:	90-120cm
Weight:	1,32 kg

## MATERIAL

Material:	Polyester, Aluminium, Steel
Webbing material:	Polyester
Sternal attachment point material:	Polyester
Dorsal attachment point material:	Aluminium
Material Click buckle:	Stainless Steel
