Art. no.:	HSG-004-15	E-class number:	40-02-01-03
EAN:	4030281066552	Customs no.:	84798997
Standard:	EN 1496-B EN 360:2002		

Data sheet

HR

The HSG HR 15 has an additional handle with hub and lowering function. The hoisting equipment is integrated in the housing. The hub function produces clicking sounds when used, which eliminates confusion when the low-ering function is used. In the HR 15 T version, the equipment has an additional mounting to attach a tripod. The winch is only approved as rescue lifting device for rescuing people after a fall, but not for continuous operations or for loads.

FEATURES

Fall indicator

Max. service life: 10 Years

Max. number of persons: 1

Temperature: from 45 °C to -35 °C

Suspension element: ST4,5

DIMENSIONS

Size: 15m

Weight: 9,71 kg

MATERIAL

Material: Aluminium, Steel
